TAIEX

MOVING FORWARD TOGETHER WITH EU EXPERTISE

Engaging Citizens in Cohesion Policy

In-person event in Bologna, Italy

DG REGIO is cooperating with the Organisation for Economic Cooperation and Development (OECD) in promoting citizens participation in the governance of EU Cohesion Policy through pilot projects.

Thank to this TAIEX-REGIO Peer2Peer Multi-country workshop, participants coming from different Member States will have the change to meet and to share their insights, experiences, and challenges for involving citizens in the implementation of EU Cohesion Policy.

During the workshop, representatives from several Member States will exchange on lessons learnt from implementing of participatory deliberative processes together with civil society organisations in the context of EU funded investments. They will also learn from other experiences in the field of participation involving all levels of governance.

Data Protection: Personal data contained in this document is processed in accordance with the privacy statement of the TAIEX instrument in compliance with Regulation (EU) 2018/1725. The chairperson should inform all persons attending the event that photographs/pictures should only be taken during a set period of time to allow for persons who do not agree to have their photographs taken to leave the room, unless all of the participants have provided their express consent to having their photograph taken.
